BE A MENTOR FOR SOMEONE SPECIAL

- The Hawaii National Guard Youth Challenge Academy is very successful with its 16-18 year old youths in a non-traditional program. Eighty-three percent of the youths that volunteer for our quasi-military based 17-month program (5 months residential and 12 months post-residential) will receive their high school diploma. These youths would never have earned their diploma otherwise in a traditional school setting. We have made some astounding progress in redirecting their lives. We are very proud to say that most of our cadets who complete the program are now productive, respectable, and responsible citizens in our community.
- We cannot do this alone; we need your assistance during the post-residential phase of the program. When our cadets return home after completion of the residential phase to pursue their future endeavors in employment, enlistment in a military service, or higher education, the values of self discipline, motivation, respect, responsibility, focus, and determination learned at Youth Challenge can easily be lost when in the home environment. We need good role models, successful people like you, to make a difference by serving as a volunteer mentor. You are that caring adult outside of the family, who is willing to provide support, counsel, friendship, reinforcement and assistance.
- ***Qualifications for being a mentor are:***
 - * ***You must be drug free.***
 - * ***23 years of age or older and same gender.***
 - * ***Have the ability to communicate, and be willing to spend some quality time with your Cadet in finding out how he or she is doing and if they need assistance.***
 - * ***You must be cleared by a police records check (no DUIs, felonies, sex crimes, and alcohol or substance abuse within the last 5 years).***
 - * ***We require two favorable character references.***
 - * ***You cannot be an immediate family member (brother/brother-in-law/step-brother/half-brother, sister/sister-in-law/step-sister/half-sister, or grandparents).***
 - * ***You cannot be living in the same household.***
 - * ***You are required to attend a Mentor Training Workshop.***
- We may not be able to resolve all the problems regarding our high school youths in Hawaii, but we sure can make a difference if we all work together as a team.
- **Help us, help the youths in our community, for a better community.**
