Work for Warriors Hawaii

Work for Warriors is your one-stop solution for employment, professional growth, and educational advancement. Their experienced Employment Coordinators will assist you (or your family member) through the hiring process with resume development, career opportunities, referral services, interview techniques, employment resources, and career assessments. Visit their website to browse their resources and get started! <https://www.workforwarriorshi.org/>

- Individualized career counseling
- Job search assistance
- Skillset identification
- Assistance with civilian and federal resume
- Seminars on career advancement, resume writing, interviewing
- Assistance with certificate, education, and training program

A Couples Coach in Your Pocket?

Do you want to learn new ways to improve your relationship? There's an app for that!

"The **Couples Coach** app is designed for partners who want to improve their relationship and explore new ways to connect. Couples choose missions—small commitments to improve your relationship—to work through on their own or with their partner." You can find it in the IOS or Google App Store.

(Not a replacement for one-on-one counseling. Contact us for resources)

To learn more about VA apps, please visit: <https://mobile.va.gov/>

Travel Discounts

Do you browse various websites and memberships to find the best travel discounts? Don't forget to add **American Forces Travel** to that list!

American Forces Travel is a joint service initiative offering military discounts while funding other current and future MWR programs.

With Priceline as the service provider you can browse discounts for hotels, rental cars, flights, packages, event tickets and even cruises.

American Forces Travel is the only official joint services MWR leisure travel website.
