GROUP GARNERS HANG AWARDS

1962 REPORT CARD

By Major Padraic B. Evans

The hottest news of the moment is Bear Cat 42 and the final report card put out by the ORI Team.

Security requires me to garble the message somewhat. Remember when you were in school? After a hard year of working for an "A" you kept your fingers crossed and were willing to settle for an "A minus" or "B plus"?

The report card is now out; the sweating over. No, it's not a "B plus". "A minus"?

Nope! A big beautiful, unbelievable, but solid "A PLUS"!

In a brief ceremony following the presentation of awards, Lt. Gov. James Kealoha will present a Hawaiian flag to the Group.

KISS ??

DEFINITION OF A KISS...a kiss is a peculiar proposition of no use to ONE; absolute bliss to two; the small BOY GETS IT FOR NOTHING; the young man has to steal it; it is the baby's RIGHT; the lover's PRIVILEGE; and the hypocrite's MASK. To a young girl it means FAITH; to a married woman HOPE; and to an old maid "CHARITY."

(CAPSULE LAW)

"...But I DIDN'T SAY HE COULD SELL MY CAR!!"

There's an old adage which states "It's not what you say but what you do that counts!" While this wise saying could apply to many "legal" situations, it certainly applies when you give someone power of attorney. This legal instrument is one in which you give other persons the power to act for you either for a particular transaction or for your business in general.

Make sure what kind of power of attorney you are signing and give it only to those you trust. Give no more authority to act than is absolutely necessary. The authority you do grant ends when you die or when you specifically revoke it. If you do not limit the time, you may revoke it by destroying all copies or by specific written revocation to all who hold the documents and to all persons with whom the holder of the power of attorney may attempt to transact business.
