## HANG "CBPO" TO BE ESTABLISHED

### CMSGT ROBERT CHOI FIRST IN HANG TO E-9

Chief Master Sergeant Robert D. W. Choi of 154 CAMRON has the distinction of being the first airman in the HANG to attain Chief Master Sergeant (E-9) rank. Promoted in April, CMSGT Choi is a veteran of more than sixteen years' service with HANG. A/C Maintenance Supervisor with CAMRON, he is also an "old-timer" among Air Technicians.

### UP-ANOTHER-STEP-UP-ANOTHER-STRIFE-DEPT

This month we congratulate:

- ...new MSGT George E. Sate, Gp Hq.
- ...five new members to NCO rank

Dellin A. Aclawan, Dispensary  
Ronald Babala, MATRON  
Theodore M. Kawamoto, CAMRON  
Mickey K. Moss, Weather  
Clayton W. K. Wong, ABRON

...new three-strippers

Raymond N. Antene, Kenneth A. Estrella, Herbert S. Okamoto,  
Herbert T. Takeuchi of CAMRON  
Melvyn A. L. K. Cheek, MATRON  
Bernard G. Mendonca, Weather

...and new A2Cs Norman Kaneshiro  
Milton Sante, MATRON; Melvyn Kim, Arthur Nishara, Gp Hq;  
Royden Nakamura, Weather.

Effective 1 July 1963, a new satellite joins the galaxy of alphabetized central offices within the Hawaii ANG: "CBPO".

Personnel administration functions of all HANG units will be centralized in a CONSOLIDATED BASE PERSONNEL OFFICE. The new office, which will provide personnel services now performed by separate P & A sections within each HANG unit, will be located in the Group Headquarters Building in rooms now used by ABRON, CAMRON, and the Director of Operations.

Under the new concept, HANG CBPO will provide central field personnel records functions, will be the sole Special Order and Reserve Order issuing agency for the HANG, will be responsible for all appointing and enlisting functions for Oahu HANG units, and will furnish other personnel support to HANG units.

Major James K. Lota, Group Director of Personnel, will head the new office as Chief, HANG CBPO. Most of the personnel to be assigned to HANG CBPO will be from the Group's P & A Section, supplemented by personnel from Hq. HANG, 109th ACWRON, 150th ACWRON, and 169th ACWRON.

The convenient way to keep up with new AF developments is to take AF correspondence courses through ECI.  
 -- ASK GROUP TRAINING for info!!!!
