

INVITE YOUR BOSS TO VISIT US ON EMPLOYERS DAY - 22 JUNE!

Last year the 154th opened its doors during field training by setting one day aside as EMPLOYERS DAY. This year TUESDAY 22 JUNE has again been designated as your day for the BOSS.

EMPLOYERS DAY will give you a chance to bring your boss to see what you do in the Hawaii Air Guard. Have him meet your fellow Guardsmen, meet your supervisor, and learn more about the Hawaii Air Guard.

EMPLOYERS DAY will begin at 1130 with you and your boss having lunch in the Dining Hall. Your boss will be our guest. You will be excused from other duties and serve as escort for your boss during his visit.

If he can't make it for lunch, have him drop in anytime in the afternoon to see our Deuces in action, watch missile uploading, view displays of aircraft and equipment, and visit our shops and offices.

The schedule is flexible and his stay can be as short or as long as he wishes.

Through the means of EMPLOYERS DAY we hope to say "MAHALO" to the boss who makes it possible for us to have summer field training and a first-rate air defense organization.

Through EMPLOYERS DAY we hope to create better working relationships between the Hawaii Air National Guard and the community.

We encourage you to invite your boss. Fill in the form below and leave it in Group Headquarters (Room 210). We will follow up immediately with a letter inviting your employer to visit us.
