PLAUDITS FOR "GUARDSMAN"

The Hawaii Guardsman Magazine received high praise from the Publications in Review section of the October issue of the National Guard Newsletter.

In a request for more human interest photography, it stated:

"The article entitled, The 29th Infantry Brigade Reports for Active Duty, Hawaii Guardsman, was an outstanding piece of journalism. The text and accompanying photography dramatically caught the human aspects of what a "call-up" really means to people. The cover photo depicting a daughter embracing her soldier-father was full of human interest...Nothing is more dull or less creative in photojournalism than the overworked handshake routine or picture of an individual or group mugging the camera. When ever possible photograph people in their natural surroundings engaged in appropriate work or recreational activities. The result will be an attention-getting, interesting photograph which tells a story."

Add our kudos to the Guardsman and Lt Bob Bean for a job well done.

MAJOR TO ARIZONA

Aloha to Maj. John S.W. Lee of the 199th FIS who has been assigned to the Arizona ANG while he continues work toward his doctorate in that state.

ANDERSON OFFERED SAIGON TDY

Capt Eddie Anderson, HANG PIO, was recently offered a three-month tour of duty as the National Guard Public Information representative in Saigon.

The offer came from the National Guard Bureau but Capt Anderson had to decline due to business pressures. This is a singular honor for the Captain and worthy of commendation by all of HANG. Keep up the good work!

REMINDER TO EGI ENROLLEES

Sgt. Gabriel wishes to remind all those enrolled in EGI courses that they must be completed within 12 months of the enrollment date. This includes the course examination (and retake if required) as well as all VREs.

In justifiable cases EGI will allow reasonable additional time in which to complete a course.

Requests for extension should be submitted on EGI Form 17 and forwarded to EGI, through either the BEO or OJT supervisor. This request should be received at EGI not later than one month prior to the date of cancellation. Name, rank, Social Security Number (or Service Number if enrolled prior to 1 July 1967) and proper address must be clearly identified on the request.
