OCTOBER UTA DATES CHANGE

ASHFORD INDICATED HIS INTENT TO PROCEED WITH THE EXPERIMENT LATER IN THE YEAR. HOWEVER, DUE TO THE LONG WEEK-END SITUATION IN OCTOBER, HE FOUND IT NECESSARY TO HOLD THE SINGLE DRILL IN ORDER TO ACCOMPLISH THE GROUP MISSION.

BIG FISH STORY

Hear the fish are running again. Howard Sato, motorpool, caught a 785 lb. Marlin in June off of Wai-anae. That is really a fantastic catch and we understand it may win him a record for the year.

Why don't you fishermen send us some news of your catches... no fish stories please.

See that ALC Iwase in supply has lost his head over a wahine and ties the knot July 14.

DRESS & APPEARANCE

In a recent message, the Air Force Chief of Staff outlined the change to AFM 35-10 which emphasizes the intent to maintain an appropriate military image.

"Each Air Force member must maintain a high standard of dress. Uniforms will be kept clean, neat, correct in design and specification, and in good condition. Uniforms will be kept buttoned, including pockets, and shoes will be shined and in good repair.

"Focusing on haircuts, the revised manual states hair must be clean, must present a tapered appearance on the sides and back both with or without headgear, must be well-groomed, i.e.,

cut in an orderly manner, & look natural if artificially colored."

HAVE YOU RECEIVED THE MONEY WE SENT?

All airmen should have received a check recently for uniform maintenance. If you have not yet received your check in the amount of \$10.50, please contact the comptroller's office.

And as if that wasn't already too good to believe, the controller has announced that effective July 1, 1973, that certain members of HIANG also qualify for additional pay as station allowances and cost of living allowances. Within certain limitations, airmen E-4 with four years service and those of higher grade will receive the allowances while on active duty.

This means that an E-4 with four years service and dependents will receive about \$3.85 additional station allowance for each day of active duty performed.

SSGT. GINOZA CLIPS TSGT. TAMAYOSE so that he complies with the new appearance standards. George has recently set up his barber shop in the supply building where they now issue wrenches, screwdrivers and Ginoza clips.

DON'T CAUSE REAR-GATE HANG-UPS!

Guard members using the Hickam back gate have been delayed in traffic tie-ups due to those vehicles without I.D. decals being stopped for visitor passes. Everyone suffers when you drive through the back gate without a decal.

If you don't have a decal on the car, use the Main Gate, where visitor passes are issued. Decals are available during the work week at the Base Personnel office, room 213, from 0730 to 1530, Mon-Fri.

GOODBYE DILLINGHAM GOODBYE !

MAJ. REIMEL REPORTS THAT UNDER THE FRESH PROGRAM, THE AIR NATIONAL GUARD AND THE AIR FORCE HAVE TURNED DILLINGHAM FIELD OVER TO THE STATE AND THE ARMY.

ALL HIANG EQUIPMENT WAS PULLED OUT JULY 14. OTHER MATERIALS LEFT BEHIND WILL SOON BE REMOVED.

FRESH IS A PROGRAM WHEREBY MILITARY LAND IS BEING RETURNED WHERE POSSIBLE TO CIVILIAN USE. DILLINGHAM IS JUST ANOTHER EXAMPLE OF THE GOOD CITIZENSHIP PRACTICED IN THIS PROGRAM.

The 154th CAM Sq. commander was responsible for high annual average attendance during field training periods and high unit re-enlistments. Lt. Col. Mattos was cited also for ability to maintain a high capability rate under the increased pressure of a reduced operating budget and no increase in manpower. He was noted for a high degree of motivation and "can do" attitude. Numerous civic and community credits were also mentioned in the nomination.

SATO AWARDEE

Capt. Morihara was recognized for duties as supply management officer of the 154th Supply Sq., which included the selection of the squadron as one of six ANG supply squadrons considered for the 1973 Supply Daedelian Award. IF YOU DON'T LIKE THE CHOW.....

DO SOMETHING ABOUT IT!

You really can do something to improve the food service of the 154th FIG.

First, if you are a person with some managerial experience and capability, and a desire to improve things, then you might apply for the available position as mess hall supervisor. CWO Beman points out that you can cross train, no schooling is required (just OJT) and there are E-6 and E-7 slots open.

Second, remind your supervisor to help CWO Beman accurately project his food requirements by notifying him two weeks in advance of drill of the expected attendance of your section.

Food must be ordered 10 days to two weeks in advance. It is ordered on the basis of a projection of the number of meals to be served. However, the mess hall is only paid on the basis of meals actually served. Thus, if the projection is inaccurate, your meals cost more and you get less.

This problem is especially acute on split drill week-ends. So please kokua....be accurate and timely with your head count to CWO Beman.

WOMEN IN THE AIR NATIONAL GUARD PERFORM VITAL FUNCTION

A1C IRIS KABAZAWA OF WAIMEA, KAUAI JOINED THE GUARD AFTER HOWARD HIRCAKA TOLD HER ABOUT IT'S BENEFITS. IRIS USED TO WORK WITH HOWARD'S WIFE.

NOW IRIS HANDLES SEPARATIONS, ENLISTMENTS, RECRUITING AND TRAINING FOR RECRUITING, AT CBPO AS A MILITARY PERSONNEL CLERK.

IRIS JOINED THE GUARD BECAUSE SHE COULD NOT ONLY USE HER BUSINESS SKILLS BUT ALSO...WHERE ELSE WOULD THEY GIVE HER A FREE TRIP TO THE MAINLAND.

AMN NORA TAKASHIMA JOINED THE HAWAII AIR NATIONAL GUARD IN NOVEMBER. LESLIE NAKASHIMA WORKED WITH HER COUSIN AND HE TOLD NORA'S COUSIN ABOUT THE CHANCE FOR NORA TO GET A MEDICAL ASSISTANT TYPE JOB WITH THE GUARD. THAT'S HOW IT STARTED AND TODAY NORA IS IN FACT A MEDICAL ASSISTANT AFTER COMPLETING SCHOOL AT SHEPPARD AND THEN HER OJT HERE AT HICKHAM. NORA, A VERY QUIET, PLEASANT GIRL FROM KONA SAYS, "IT'S REALLY A GOOD EXPERIENCE."
