

SPECIFIC REASONS FOR ING

Chapter 2

Transfer between Active Status Soldiers and the ING

2-1. Soldiers authorized to transfer from active status to the ING

a. Soldiers in active status may request transfer to the ING for the following reasons. See the attached figure 2-1 (Sample memorandum requesting transfer to ING) for the memorandum format for a Soldier requesting transfer to the ING. Requests for transfer to the ING will be processed as directed by TAG.

- (1) Change of residence.
- (2) Incompatibility with civilian employment.
- (3) Temporary overseas or out-of-state residency for education, employment, or a missionary obligation.
- (4) Temporary medical disqualification, not due to line-of-duty injury, that can be corrected in less than one year. Both transfer to the ING and back to active status will require verification of medical status. Transfer to the ING is not authorized for injuries that occur while an ING Soldier is temporarily on active status on Annual Training (AT)/Active Duty Training (ADT) orders or at Annual Muster.
- (5) Pregnancy.
- (6) Valid reason for delay from entering on active duty with their unit when mobilized.
- (7) Released from active duty with a mobilized unit before the release of the unit from its mobilization status.
- (8) As an alternative to serving in the Individual Ready Reserve (IRR) of the United States Army Reserve (USAR) in order to complete the second portion (two, four, or five years) of the 6x2, 4x4, or 3x5 enlistment option, or of another residual commitment to serve in the Ready Reserve of the Army, after an initial period of service on active status with ARNG. Soldiers must execute a DA Form 4836 for the remaining period.
- (9) Leaving active status and eligible for and desires to maintain a connection with the ARNG in inactive status by extending term of service to be placed in the ING instead of being discharged.
- (10) For a reason other than those cited in this paragraph. A request under this subparagraph must be approved by TAG.
