LAHAINA, MAUI – The Disaster Recovery Center (DRC) and Community Resource Center (CRC) will continue to serve the public through June 30, 2024. This extension reflects the state's commitment to providing ongoing support and resources to those affected by the Lahaina wildfires.

“Both recovery centers have been cornerstones of our recovery efforts, offering a place where individuals and families can connect with specialists, receive counseling, and gain access to a wide range of services designed to help rebuild and recover,” said Hawai'i Emergency Management Agency State Disaster Recovery Center Coordinator Francis Kau.

With FEMA approval of the extension of operations, the DRC and CRC sites will maintain their current hours of operation, ensuring that assistance remains accessible to all who need it.
