Personal wellness checks, relief efforts, damage assessments, and recovery efforts are continuing;

WHEREAS, on August 20, 2027, I issued my Second Proclamation Relating to Tropical Storm Lala;

WHEREAS, another tropical cyclone, Tropical Storm Moke, is approaching the State from the southeast and threatens to bring heavy rain and other hazards to Hawai'i County and other parts of the State;

WHEREAS, it is critical that the State and counties have sufficient resources to clear debris, secure infrastructure, conduct emergency relief efforts, and take other measures to respond to and recover from Tropical Storm / Hurricane Lala and Tropical Storm Moke; and

WHEREAS, my Second Proclamation Relating to Tropical Storm Lala must be supplemented to support ongoing response and recovery efforts;

NOW, THEREFORE, I, JOSH GREEN, M.D., Governor of the State of Hawai'i, hereby declare the existence of a state of emergency under section 127A-14, Hawaii Revised Statutes (HRS), because tropical cyclones pose an imminent danger or threat

of an emergency or disaster in the State of Hawai'i. This Proclamation covers the entire State of Hawai'i and is intended to allow government to prepare for, respond to, and recover from:

- 1) Tropical Storm / Hurricane Lala;
- 2) Tropical Storm Moke; and
- 3) any additional storms or other hazards that may exacerbate the impacts of these two tropical cyclones or hinder recovery efforts.

I further authorize and invoke the following emergency provisions, if not already in effect upon this declaration of an emergency:

I. Invocation of Laws

I authorize and direct the Adjutant General to activate such units of the Hawai'i National Guard as may be necessary to assist and aid civilian authorities in disaster relief and in averting any imminent public danger and threat and to ensure the compliance with the civil laws of the State of Hawai'i.

Subsection 127A-12(b)(5), HRS, to ensure that public property of the State is available to support the government's emergency preparation, response, and recovery operations.

Subsection 127A-12(b)(13), HRS. I require each public utility, or any person owning, controlling, or operating a critical infrastructure, to protect and safeguard the property and infrastructure, or to provide for its protection and safeguarding; protecting or safeguarding may include regulating or prohibiting public entry, or permitting entry on terms and conditions as I may prescribe.

Subsection 127A-12(b)(16), HRS. I direct all state agencies and officers to cooperate and extend their services, materials, and facilities as may be required to assist in emergency response efforts.

Section 127A-16, HRS. I activate the Major Disaster Fund.

Under section 127A-25, HRS, I hereby adopt the attached Rules Relating to Housing Relief Programs. These rules shall have the force and effect of law.

Subsection 37-74(d), HRS, **program execution**, except for subsections 37-74(d)(2) and 37-74(d)(3), HRS, and any such transfers or changes considered to be authorized transfers or changes for purposes of section 34-74(d)(1) for legislative reporting requirements, to the extent that legislative authorization would likely delay appropriation transfers or changes between programs to provide necessary funding to complete the emergency actions.
