This is the 2019 work schedule based on the following Rules of Engagement (ROE). There will be separate work schedules for C-17 assigned Wing personnel who will be observing Fridays off under the **"B Work Schedule"**, and for F-22 assigned Wing personnel under **"4x10 A/B/C/D Schedules"** in order to provide unique mission requirement coverage.

Rules of Engagement (ROE):

1. The Office of Personnel Management guidance requires each two-week pay period to have 80 work hours. The day off and eight-hour day must be within each pay period. The right column on the calendar reflects the way the comptroller shop and timekeepers record the periods.
2. There is one off Monday per pay period. Off Fridays will replace off Mondays in order to align with PACAF Family Days unless the off Monday occurs following RSD.
3. RSDs are usually on the first weekend, unless there is a holiday in the first week/weekend or as dictated by mission requirements.
4. An approved work schedule for each employee will be maintained showing the planned arrival and departure time for each day (i.e. shift hours).
