Welcome to the eOPF System

### Introduction :

The eOPF System contains electronic copies of the documents that make up your Official Personnel File. This self-service tool enables you to electronically view and print your OPF documents. If you have questions concerning the technical aspects of the eOPF, email the NGB eOPF Help Desk at [ng.ncr.arng.mbx.ngb-ngeopf-helpdesk@mail.mil](mailto:ng.ncr.arng.mbx.ngb-ngeopf-helpdesk@mail.mil). Questions concerning specific personnel actions or documents should be sent to your local eOPF contact located in your respective HR Office.

**WARNING:** To ensure the confidentiality of data viewed within this application you must use a .mil network computer to access this application. A copy of the personnel information viewed may remain on the computer in a hidden cache directory. The hidden cache can potentially be viewed by a subsequent individual who has access to the same computer. You may clear the contents of the browser's cache by performing the following steps: (1) Choose Tools->Internet Options from IE's menu (2) The General tab should already be chosen, if not, select it (3) Click on the Delete Files button in the Temporary Internet files frame (4) Click OK from the dialog box that pops up. Please note: because of eOPF security features that hide IE's menu you may need to re-open IE after exiting eOPF in order to access the menu.

Welcome to the National Guard eOPF!

## *AGENDA*

- What is classification?
- How are positions classified?
  - What makes supervisory positions different?
  - How are supervisors classified?
- What is hierarchy?
  - How can we request changes to our hierarchy?
- What are PDs?
  - Where can we find PDs?
  - What are Major Duties?
  - What are Other Duties as Assigned?
- What are desk audits?
- What are classification appeals?

## *WHAT IS CLASSIFICATION?*

- **In federal civilian workforce, classification is:**
  - “The process of determining the appropriate pay plan, grade level, title and series of a position based on its designated duties and responsibilities, and consistent with prevailing laws, standards, and guides”
  - **Bottom Line:** Classification determines your pay based on your duties.

## *CLASSIFICATION – LEGAL PROVISIONS*

- 5 USC 51 - prescribes the GS grading system, and required OPM to establish a system for prevailing rate jobs
- 5 USC 53 – directs OPM to prepare and publish classifications standards for FWS
- 5 CFR 511 – regulates classification under the GS
- 5 CFR 532 – regulates classification of FWS

**Bottom Line:** Proper pay classification is required and governed by federal statutes and regulations

# ***HOW ARE POSITIONS CLASSIFIED?***

## *LEARNING THE SYSTEM*

- 9 Classification Factors under General Schedule
  - Knowledge Required
  - Supervisory Controls
  - Guidelines
  - Complexity
  - Scope and Effect
  - Personal Contacts
  - Purpose of Contacts
  - Physical Demands
  - Work Environment

## *LEARNING THE SYSTEM*

- 4 Classification Factors under Federal Wage System
  - Skill and Knowledge
  - Responsibility
  - Physical Effort
  - Working Conditions

# ***WHAT ABOUT SUPERVISORY POSITIONS?***

## *GENERAL SCHEDULE SUPERVISORS*

- 6 Classification Factors under General Schedule Supervisory Guide
  - Program Scope and Effect
  - Organizational Setting
  - Supervisory and Managerial Authority Exercised
  - Personal Contacts
  - Difficulty of Typical Work Directed
  - Other Conditions
- **Bottom Line:** Supervisors' pay grades are not classified based on technical performance of work. Instead, pay is based on supervisory authority, supervisory duties performed, the scope and difficulty of work supervised, etc.

# ***HIERARCHY***

## *REQUESTING HIERARCHY CHANGES*

- When necessary, supervisors can submit hierarchy change requests through the HING Hierarchy Request Mailbox @

[ng.hi.hiarng.mbx.nghi-technician-hierarchy-request@mail.mil](mailto:ng.hi.hiarng.mbx.nghi-technician-hierarchy-request@mail.mil)

- Non-supervisory employees, i.e. subordinates, can but should not submit hierarchy change requests in MyBiz
- Employees should be assigned to a supervisor or manager position; other situations reviewed on a case-by-case basis

# ***POSITION DESCRIPTIONS***

## ***POSITION DESCRIPTIONS***

- Describe an employee's principal duties, responsibilities, and supervisory relationship
- Provide a basis for Performance Standards or Performance Evaluations
- Determine duty assignments, responsibilities, authority, and required Knowledge/Skills/Abilities (KSA)
- The supervisor's signature denotes the accuracy of the duties/responsibilities described on a PD for a particular position

## ***POSITION DESCRIPTIONS***

- Help to achieve:
  - Equal pay for equal work
  - Getting qualified people for the job
  - Human Resources Development
  - Career Development
  - Equitable RIF determinations
  
- Bottom Line: Position Descriptions define:
  - WHO does WHAT and
  - How much a position is paid

## *WHAT ABOUT “OTHER DUTIES”?*

- Almost every PD includes a paragraph that states, “Performs other duties as assigned.”
- Supervisors may assign other duties as necessary whenever their judgment decides that circumstances warrant such actions
- Assignments should be reasonably related to the position’s duties and necessary qualifications (e.g. occupational series and grade level)
- Emergency situations may dictate otherwise (emergencies do not mean regular and recurring additional duties)
- Disciplinary action can occur if employee fails to perform an additional legitimate work assignment as directed (insubordination, negative appraisals, etc.)
- **Bottom Line:** Additional duties not included in a PD should be minimally assigned (less than 10% of employee’s time) and should be reasonably connected to the employee’s PD

# ***WHAT IS A DESK AUDIT?***

## *DESK AUDITS*

- A fact-finding visit to the job site
- Incumbent and supervisor are interviewed
- Group audits can be conducted when several incumbents occupy Identical Additional (IA) positions

## *REASONS FOR DESK AUDITS*

- Reorganization
- Accretion of duties
- Changes in mission
- Periodic review to ensure accuracy of PDs
- Issue of new OPM Classification Standards
- A position being appealed
- An employee's request for reclassification
- New technology/equipment affecting a job
- Requirement levied for a special Classification survey

**Bottom Line:** Desk audits can be conducted when a position's duties have significantly changed over time due to organizational changes, changes in mission, OR at HRO request for review of PD accuracy

## *STANDARDS AND REFERENCES*

- Classification Standards - GS positions
- Job Grading Standards - FWS (WG/WS)
- Issued by Office of Personnel Management (OPM)
- DoD publishes supplemental guides to some OPM standards
- Manning Documents and Vouchers
- Organizational Hierarchy Charts (Org Charts)

# *CLASSIFICATION APPEALS*

## *CLASSIFICATION APPEALS*

- An employee may appeal the classification of his/her position only
- An employee may not appeal based on the classification of someone else's position
- If an employee appeals, the supervisor must first:
  - Ensure the PD is complete and accurate
  - Discuss employee's concerns with the employee; attempt an informal resolution
  - If that fails, advise the employee to work with the HRO Classifier
- Appeals are decided by OPM or DCPAS

MEMORANDUM FOR Hawaii National Guard Full Time Support Personnel (Military Technicians, Active Guard Reserve (AGR) and Full Time National Guard Duty Operational Support (FTNGD-OS) Soldiers and Airmen)

SUBJECT: Policy for Employment Outside the Hawaii National Guard

1. References.
  - a. 5 CFR §2635.802, Conflicting Outside Employment and Activities.
  - b. 5 CFR §2635.803, Prior Approval for Outside Employment and Activities.
  - c. DoD 5500.07-R, Joint Ethics Regulation, change 7, dated 17 November 2011.
  - d. TAG Memorandum, Ethics and Outside Employment, dated 3 March 2011.
2. This policy prescribes the procedures for when Full time Support Personnel (Military Technicians, Active Guard Reserve (AGR) and Full Time National Guard Duty Operational Support (FTNGD-OS) Soldiers and Airmen) seek or engage in employment outside the Federal government. Restrictions and limitations on Federal employees, both civilian and military, with holding more than one Federal appointment and receiving dual compensation are not addressed in this policy.
3. While it does not create a blanket prohibition, the Joint Ethics Regulation does address applicable standards of conduct regarding employment outside the Federal government. Any activity that could potentially interfere with your obligation to protect the government's interests, affect your objective judgment with regard to a business decision, or could reasonably bring discredit upon you or the Hawaii National Guard creates a potential conflict of interest.
4. Full time Support Personnel shall not engage in employment outside the Federal government that conflicts with official duties and responsibilities. Such employment that detracts from readiness or poses a security risk may also be limited or denied. Moreover, in order to ensure safety, work schedules on requests for off-duty employment must include at least a six hour rest period (excluding time to travel to and from employment, home, or duty) between the end of the individual's off-duty employment and the start of official duties.

## Select CA-1 or CA-2

There are two types of injury claims that may be filed: **CA-1** or **CA-2**. Only one claim (either Form **CA-1** or Form **CA-2**) may be filed based on a single incident. If your agency requires a Form **OSHA-301** prior to filing a FECA claim, this means that only one FECA claim form may be filed per **OSHA-301**.

**Select the appropriate form:**

CA-1	CA-2
<p><b>CA-1 - Federal Employee's Notice of Traumatic Injury &amp; Claim for Continuation of Pay/Compensation</b></p> <p>Use this form if you have sustained a traumatic injury on the job. A traumatic injury is a condition of the body caused by a specific event or incident, or series of events or incidents, within a single workday or shift.</p> <p>Examples of a traumatic injury include: a dog bite, a motor vehicle accident or a slip and fall.</p> <p><a href="#">Select CA-1 &amp; Continue</a></p>	<p><b>CA-2 - Notice of Occupational Disease and Claim for Compensation</b></p> <p>Use this form if you have sustained an occupational disease as a result of your job duties. An occupational disease or illness is a condition produced by the work environment over a period longer than a single workday or shift.</p> <p>Examples of an occupational disease include: noise induced hearing loss, asbestos-related illness or orthopedic injuries due to repetitive motion.</p> <p><a href="#">Select CA-2 &amp; Continue</a></p>

- All applicable federal EEO laws will be vigorously enforced
- Hawaii National Guard policy is to ensure equal employment opportunity, prohibit discrimination and harassment in all its forms, and promote diversity and inclusiveness in the workplace
- **Supervisors and managers** bear a special responsibility to ensure that work environments are free from discrimination and harassment of any kind

- The Civil Service Reform Act of 1978
- Civil Rights Act of 1991
- No fear Act of 2003

# Elements of a Complaint

## Elements of a Complaint

- Two basic elements required:
  1. Basis: Protected class (race, color, national origin, sex/gender, age, disability, religion, retaliation)
  2. Claim:, sexual harassment, hostile work environment, denied benefit/opportunity (leave, promotion, positive evaluation, overtime opportunity, etc.)

# Claims

# Harassment Defined

- Harassment is unwelcome verbal or physical conduct based on race, color, religion, sex (regardless of whether it is of a sexual nature), sexual orientation, national origin, pregnancy, age, disability or retaliation that is sufficiently offensive to alter the conditions of the victim's employment.
- This standard is met when:
  - The conduct culminates in a tangible employment action, or
  - The conduct is sufficiently severe or pervasive as to create a hostile work environment

# Disparate Treatment

- Exists when similarly situated individuals are treated differently because of their membership in a protected class
- Shifting Burden: Once the above conditions are met, burden shifts to employer to articulate a legitimate, non-discriminatory reason for taking the action; and shifts back to complainant to argue pretext
- Complainant must establish that he or she:
  - Is a member of a protected class
  - He/she suffered some adverse action
  - A similarly situated individual outside of his/her class was treated more favorably

# Tangible Employment Action

- Definition: A management official's harassment that results in a significant change in an employee's (usually a subordinate's) employment or job status
- An agency is automatically liable for harassment by a management official that results in a tangible employment action regardless of whether upper management had knowledge of it
- Examples of tangible employment actions include but are not limited to:
  - hiring and firing
  - promotion or failure to promote
  - demotion
  - undesirable reassignment
  - work assignments
  - other actions

# Hostile Work Environment

- Anyone in the workplace can commit this type of harassment:
  - a supervisor or manager
  - co-worker
  - or even a non-employee
- To create a hostile environment, the conduct must rise to the level of being severe or pervasive
- The key issues are frequency and severity
  - The more severe the conduct, the less frequent it must be to rise to the level of a hostile environment
  - The less severe the conduct, the more frequently it must occur to constitute a hostile environment

- **Genetic Information Nondiscrimination Act of 2008**: It is illegal to discriminate against employees or applicants because of genetic information. (Ex. Family history of \_\_\_ medical condition)

# Reasonable Accommodation (Title VII)

- Ethnicity
- Accent
- Appearance to be of a certain ethnic background
- Birthplace
- Ancestry
- Linguistic characteristics common to specific ethnic groups

**Race or Color**: It is prohibited to discriminate on the basis of race including color discrimination involves treating someone unfavorably because of:

- Complexion
- Immutable characteristics associated with race:
  - ✓ Skin color (can occur between persons of different or same ethnicity/race)
  - ✓ Hair texture
  - ✓ Facial features

# Religion

## *Religion (Title VII of the Civil Rights Act of 1964)*

- Title VII prohibits discrimination on the basis of religion.
- Organized religions such as: Buddhism, Christianity, Hinduism along with atheist, agnostic and others who have sincerely held religious, ethical or moral beliefs.
- Employees cannot be forced to participate in religious activity as condition of employment
- Agency has a duty of reasonable accommodation for sincerely held religious beliefs and practices unless to do so would cause an undue hardship.
- Undue hardship can mean significant cost or non-cost factors such as office disruption.

# *Religious/Reasonable Accommodation (Title VII)*

- Accommodations may include:
  - Granting leave for religious observances
  - Granting time and/or place to pray
  - Ability to wear religious garbs
  - Accommodating hairstyles/grooming habits

  - Permitting time off during a mourning period for a deceased relative.

  - Disparate treatment based on sex
  - Harassment based on sex
  - Sexual harassment
  - Pregnancy discrimination
- Gender Discrimination include “sex stereotypes”
  - “Stop being a sissy”
  - “You should be more lady-like”

# Sexual Harassment

- Title VII prohibits both harassment and sexual harassment through continued interpretation by the EEOC.
- Unwelcome conduct on a protected basis constitutes unlawful harassment if it is sufficiently severe or pervasive to create an intimidating, hostile or offensive work environment.
- An agency is liable for harassment by co-workers if it knew or should have known of the misconduct, unless it can show that it took immediate and appropriate corrective action.

## EEOC.gov

- The Commission has taken the position that existing sex discrimination provisions in Title VII protect lesbian, gay, bisexual, and transgender (LGBT) applicants and employees against employment bias.
- The Commission has obtained approximately \$6.4 million in monetary relief for individuals, as well as numerous employer policy changes, in voluntary resolutions of LGBT discrimination charges under Title VII since data collection began in 2013.
- A growing number of court decisions have endorsed the Commission's interpretation of Title VII.

## Example

- John and Jim are at the department gym working out. They see Frank lifting weights and proceed to call him derogatory words regarding what they perceive as his lack of “manliness” and state that he and “his kind” should have their own locker room. This is not isolated. Frank has complained to the supervisor about other occasions where coworkers questioned his sexuality and state he was “too feminine” in his dress and body language.

# No Fear Act

# No Fear Act

- Prohibits discrimination and retaliation against federal workers for participating in the EEO process or whistle-blower activities
- Requires agencies to train employees and post statistical data on EEO complaints on agency's public website

# Retaliation

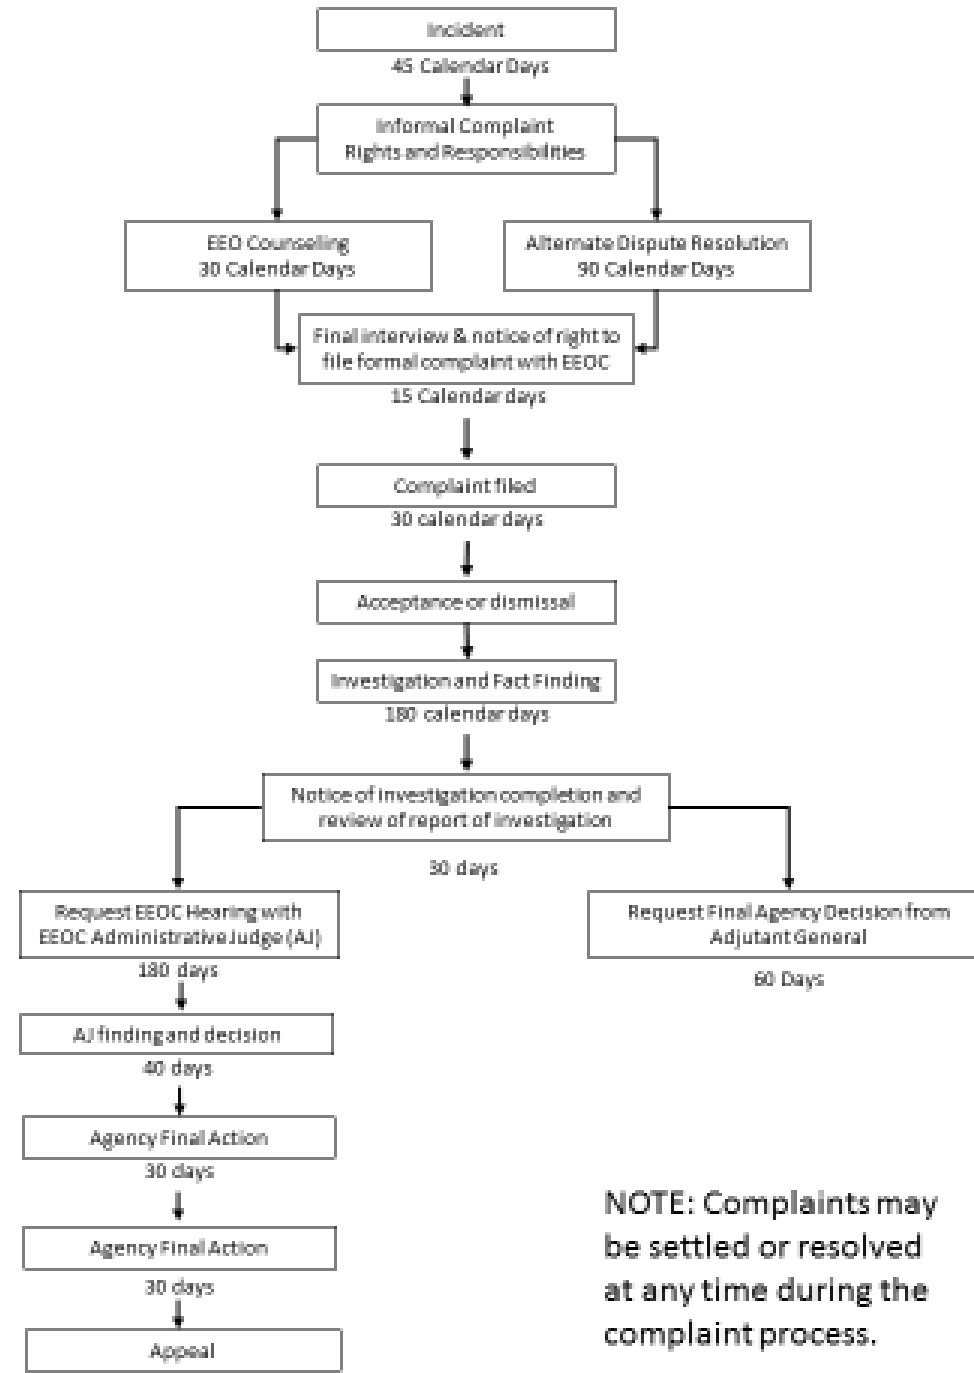

- Title VII, ADEA, EPA and the Rehab Act prohibit retaliation because an individual has engaged in protected activity
- EEOC looks at whether the agency action is reasonably likely to deter anyone from pursuing the EEO process.

# Complaint Processing

# Hawaii National Guard EEO Complain Process Flow Chart

**NOTE: Complaints may be settled or resolved at any time during the complaint process.**

## *EEO Complaint Process*

- The right to pursue a complaint of discrimination is established by law
- The discrimination complaint process consists of:
  - Informal Complaint process (EEO Counselor)
  - Alternate Dispute Resolution (ADR/Mediator)
  - Formal complaint (EEO Investigator)

# EEO Informal Complaint Process

- Acts of discrimination must be reported within 45 days of the incident
- The traditional EEO counseling process allows 30 Days for resolution of allegations.
- If you choose the alternate dispute resolution (ADR) process, it allows 90 days for resolution
- If no resolution is agreed upon after traditional counseling or ADR, the complainant has 15 days to file a complaint with the Equal Employment Opportunity Commission (EEOC)

# EEO Counselor

- The EEO Counselor provides an open channel through which employees or applicants may raise questions, discuss problems, and get answers.
- The counselor acts as a neutral party whose function is to make inquiries to uncover the facts

## *EEO Formal Complaint Process*

- Filing of formal complaint if matter has not been satisfactorily resolved at pre-complaint stage
- Investigation of complaints that meet procedural requirements
- OPTION 1: EEOC Hearing or immediate Final Agency Decision (FAD) from TAG
- Appeal of final Agency Decisions to the Equal Employment Opportunity Commission
- OPTION 2: File civil suit in appropriate Federal district court

## *Alternate Dispute Resolution (ADR)*

- Neutral third party, assists the disputing parties to achieve a mutually acceptable agreement
- The objective of the mediator is to bridge the gap in communication between the disputing parties and assist them in reaching a voluntary agreement of their own
- Resolutions reached during mediations are documented in settlement agreements
- If mediation is not successful, the complaint process would resume from the point it stopped
