

**Mike Loos, Vice President, US DoD Customer Success**

Mike is a vice president with Dataminr. In this role, he supports the growth, success, and mission impact of Dataminr's accounts and users across the DoD.

Mike transitioned to the private sector after a military career in which he served as a soldier, leader, and commander in special operations, cyber and combat units. He has also led multiple Army-level studies, focused on warfare evolution and asymmetric threats in Ukraine, the Levant, East Asia, and across the Middle East.

Mike is a graduate of the U.S. Military Academy and the U.S. Army War College. He resides in Montana with his family.

**Catalina Graziano, Manager, US DoD Customer Success**

Catalina is a Customer Success Manager for the US Department of the Air Force. Catalina has been serving the Department of the Air Force, US Strategic Command, and US Space Command at Dataminr since 2021.

Catalina has a broad range of experience working in public and private sectors, to include positions in customer service, talent acquisition, and data analytics. In addition to her Dataminr career, Catalina serves as a CBRN Company Executive Officer in the Army National Guard, where she has obtained certifications in emergency management and disaster response.

Catalina holds a BA in International Relations and French from the University of Minnesota.
