The State Department of Defense in conjunction with the State Office of Veterans' Services has created a Virtual Governor's Veterans Day Concert and Ceremony scheduled for Friday, November 11, 2022. Back by popular demand, the Virtual Veterans Day Concert will be performed by the 111th Hawaii Army National Guard Band led by Bandmaster and Chief of the Army National Guard Bands, CW5 Curtis Hiyane. The band will feature new musical selections in tribute to our military members, our Veterans and to their families. Video will be posted on Veterans Day at the link provided below:

Governor David Y. Ige has also provided a Veterans Day message for our Veterans, military service men and women and their families in the video.

As a reminder, there will not be an in-person Veterans Day event normally held on November 11, 2022, at the Hawaii State Veterans Cemetery in the afternoon.

Please take this opportunity to honor Veterans in your own way.
