MILITARY SERVICE MEMBERS ON OFFICIAL BUSINESS

The self-quarantine exemption for military families arriving for permanent change of station, granted by me on 29 May 2020, is hereby revoked.

All military service members traveling to Hawaii for official business is not subject to the State of Hawaii order to self-quarantine. Arriving military service members must check with their commands for current orders and policies regarding restriction of movement.

At the request of USINDOPACOM and the surge in COVID-19 cases in the State of Hawaii, family members traveling to Hawaii, as part of a permanent change of station (PCS), are subject to the state's 14-day self-quarantine.

If you have any questions, please email dod@hawaii.gov.
