Hukilau Happenings

By Ulu

Well, they're gone. And may I say just a few words to all the wives and mothers of the men in our National Guard that left on Monday. Hold your heads high, keep a smile on your face and a song in your heart. Be proud of your men. A job has to be done and they chose our men to do it. When they asked for help, we sent them the best. I'm so proud of all you brave women.
